Reflection Theme/Summary for Newsletter:

Service Description: Surrendering with Courage

Surrendering is not something that UU's like to talk about. It is mostly a Christian and mostly a male-oriented concept, but we have to do that with courage. As we grieve the loss of First Unitarian we recognize that community is of utmost importance. It will take courage and commitment to contemplate participating in a another religious community.

When facing a loss, we grieve.

Interactive

What kinds of attitudes are people taking into their decisions of where to go? How does courage affect their decision?
